

Decent Anime Policy – Teen & Adult-Friendly Guidelines

Target Audience:

Anime produced by our studio is intended for viewers aged 12 and above, including adults. Content for adults is allowed as long as it is decent and non-disturbing.

Content Guidelines:

Stories should focus on positive and entertaining themes such as adventure, friendship, fantasy, school life, comedy, and light romance. Light, playful revenge is acceptable. Sexual content, sexual assault, pornography, graphic gore, dark revenge, or psychologically disturbing content is strictly prohibited. Nudity should be avoided unless necessary; if included, sensitive areas must be fully blurred or censored and presented in a non-sexual context. Violence is limited to mild adventure or fantasy conflicts, with no torture or sadistic revenge. All content must remain appropriate for teens and adults.

Studio Policy Statement:

“All anime produced by our studio is suitable for viewers aged 12 and above, including adults. Content will avoid sexual assault, pornography, nudity, graphic violence, and dark or disturbing plots. Light, humorous revenge is allowed if playful and cartoony. All stories will focus on adventure, friendship, comedy, fantasy, or light romance, maintaining a positive and entertaining tone.”
